To Whom it may concern,

Over the past 10 years we have had the pleasure of working with Sitescape on several of our construction projects.

Their pricing is always competitive and their detailed pre-project planning ensures a timely professional completion. Our clients especially appreciate the after installation and warranty follow up services.

On the condition that Sitescape keep our projects front and centre, we would not hesitate to recommend the Sitescape team to other groups. We will continue to work with them for many years to come.

Sincerely,

Terry Klingenberg
Senior Vice President
